The system makes and stores recordings.	The legitimate interest of the University or other third parties based on Article 6 (1) f) if the GDPR*.	The personal data are collected directly from the data subjects

4. Duration of data processing

In the case mentioned in Section 3.1. of the notice, the database containing the contact data shall be reviewed quarterly, when the personal data deemed inaccurate in terms of the purpose of data processing will be erased or corrected immediately.

In the case mentioned in Section 3.2. of the notice, the recordings made of the data subjects shall be stored by the University for purpose of promotion of the University and for scientific and historical reasons. The period of publication of the article informing the public, and in the case of its archiving, the storage time. The criterion for determining the storage time: possible use of the recording for purpose of future articles or university publications.

In the case mentioned in Section 3.4. of the notice, the images recorded of the data subjects – if not used – shall be stored by the University for 30 days after recording.

- Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation)

5. Data protection

Taking into account the state of the art, the costs of implementation and the nature, scope, context and purposes of processing as well as the risk of varying likelihood and severity for the rights and freedoms of natural persons, the University shall implement appropriate technical and organisational measures to ensure a level of security appropriate to the risk.

The University shall take all reasonable measures to ensure that the data it processes are not accessible to unauthorized persons. Access to data is limited, password protection is in place. Reading, writing and editing access on the central interfaces of the Data Controller varies from job to job, depending on the need for data processing.

The University has regulations on the protection and security of personal data and data of public interest. The University also has an IT Security Policy.

Reading, writing and editing access on the central interfaces of the Data Controller varies from job to job, depending on the need for data processing.

6. Automated data processing (including profiling)

The University does not use automated data processing for decision-making.

7. Transfer of data to a third country or an international organization

Data may be transferred to a partner institution in a third country and the data will be uploaded to monitor the implementation of institutional projects.

8. Exercise of rights, remedy

The data subject may exercise the rights provided for in the GDPR for the entire duration of the data processing, which he may do at any time at the contact details specified in points 1 and 2.

The data subject may request

- *access to personal data* (the data subject has the right to obtain confirmation from the data controller as to whether or not personal data concerning him or her are being processed, and where that is the case, the right to access personal data and information specified in the GDPR) (Article 15 GDPR*),

- *rectification of personal data* (the data subject has the right to obtain the rectification of inaccurate personal data concerning him or her, at his or her request, without undue delay. Taking into account the purpose of the data processing, the data subject shall have the right to have incomplete personal data completed, including by means of providing a supplementary statement.) (Article 16 GDPR*),

- *erasure of personal data* (the data subject has the right to obtain from the data controller the erasure of personal data concerning him or her, at his or her request, without undue delay and the data controller shall have the obligation to erase the personal data of the data subject without undue delay on the grounds specified in the GDPR; in case of data processing for compliance with a legal obligation the erasure request shall be declined) (Article 17 GDPR*),

- *restrictions on the processing of personal data* (the data subject has the right to obtain from the data controller restriction of processing if the conditions set out in the GDPR are met) (Article 18 GDPR*),

- *exercise the right to personal data portability* (The data subject shall have the right to receive the personal data concerning him or her, which he or she has provided to the data

• Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation)

controller, in a structured, commonly used and machine-readable format and have the right to transmit those data to another data controller without hindrance from the data controller to which the personal data have been provided, as long as the conditions set out in the GDPR are met) (Article 20 GDPR*),

- *may object to the processing of personal data* (shall have the right to object, on grounds relating to his or her particular situation, at any time to processing of personal data concerning him or her which is based on point (e) or (f) of Article 6 (1), including profiling based on those provisions. The controller shall no longer process the personal data unless the controller demonstrates compelling legitimate grounds for the processing which override the interests, rights and freedoms of the data subject, or for the establishment, exercise or defence of legal claims; in case of data processing for compliance with a legal obligation the objection request shall be declined) (Article 21 GDPR*),

- *withdrawal of the abovementioned consent* to processing of personal data, the data subject may withdraw his or her consent at any time by sending an e-mail to [tf-
adatvedelem@tf.hu](mailto:tf-adatvedelem@tf.hu), without affecting the lawfulness of the processing carried out on the basis of consent prior to its withdrawal.

The application must be submitted to the postal address of the data controller or to the following e-mail address: [tf-
adatvedelem@tf.hu](mailto:tf-adatvedelem@tf.hu). The data controller shall provide written notice as soon as possible, within a maximum of 1 month (within 15 days in the event of an objection) (this deadline may be extended by a further 2 months due to the complexity of the request). In addition, in the event of injury, the data subject may apply to a court (the data subject may, at his or her choice, initiate a proceeding before the court competent according to his or her place of residence or stay) and to the National Authority for Data Protection and Freedom of Information (1055 Budapest, Falk Miksa utca 9-11., phone: 06-1-391-1400, website URL: <http://naih.hu>, e-mail address: ugyfelszolgalat@naih.hu).
