

SPORT AND INNOVATION INTERNATIONAL CONFERENCE

15-17 September, 2021

University of Physical Education (Budapest) | National Handball Academy (Balatonboglár)

UNIVERSITY OF
PHYSICAL EDUCATION

You are cordially invited to the 4th Sports and Innovation bilingual conference on innovation and sports, organized by the University of Physical Education of Budapest and the National Handball Academy of Balatonboglár.

Our aim is to foster dialogue on recent findings and innovative ideas, methods as well as to stimulate further processes of turning ideas to success.

The latter is of utmost relevance these days in the competitive international arena of sports, especially in the struggle for Olympic performance. Therefore, we wish to invite scholars and other experts from all walks of life and sport activities to share their expertise, good practices, and pursue knowledge transfer. The presenters will offer insight and exchange ideas in the form of presentations, workshops and roundtable discussions with trainers, educators, researchers, business partners and decision makers at all levels. **This event is to give special attention to the role of sport in improvement of quality of life through primary prevention, recreation, rehabilitation and regeneration**, and to offer pragmatic approaches to sport science and profession, utilizing the facilities and expert opportunities of NEKA, Balatonboglár. Following the conference, an online publication opportunity (Physical Education, Sport, Science (PSS)) is offered for the presenters in English and Hungarian languages.

Prior to the conference, we are to host the traditional International Partner Day on UPE Campus, where the representatives of our partner universities are welcome to focused discussions, campus tour as well as meeting the management and the special departments, too. please let us know in advance if you are interested. The first conference day is on UPE campus, while the second and third are to be organized on the venue of the National Handball Academy (NEKA) in Balatonboglár, nearby Lake Balaton. Conference participants will receive transportation upon demand (bus ride on second day morning to Balatonboglár and on third day late afternoon to Budapest).
